

Healthcare Workforce Services

 MEDFORCE

Medforce specialises in comprehensive healthcare staffing, offering a seamless end-to-end service for permanent, contract, and temporary roles across EMEA.

Our service offering combines rigorous compliance, tailored training, and robust support for career transitions across a wide range of healthcare positions from Allied Health to Doctors.

Commitment to Quality

As an ISO-accredited company our dedication to quality transcends standard practices. Through personal mentorship, we offer individualised guidance, ensuring each candidate is fully equipped to excel in their role. Our robust training and qualification verification routines are designed to refine skills and enhance professional competencies.

This comprehensive approach guarantees that our candidates are not just qualified, but truly exceptional, ready to make a significant impact in their healthcare positions.

As part of the Lincoln Group, we extend our support to non-healthcare professional, ensuring a smooth transition for the entire family. We offer ongoing professional development opportunities, family and dependent assistance.

Approved Frameworks

Medforce are proud to be an approved HSE framework supplier for the following frameworks:

HSE Framework for International Recruitment Tier 2*

HSE Framework for Locum Doctors Tier 2*

HSE Framework for Agency Nursing and Midwives Tier 2*

*Medforce is one of multiple Tier 2 suppliers, all agencies on the supplier panel pay the same hourly rates.

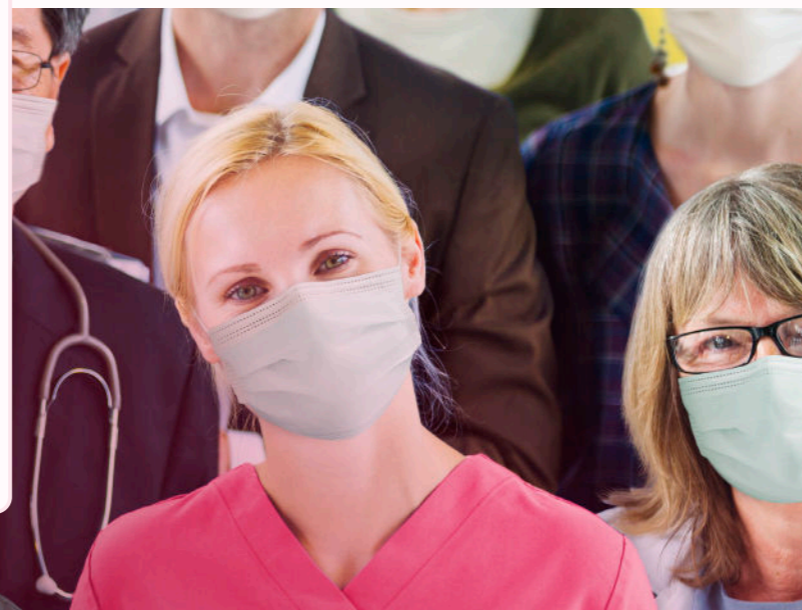

What They Say About Us

“

I experienced a sense of humanity, kindness, and understanding throughout. The commitment to quality service was unlike anything I've encountered elsewhere.

- Assistant Director of Nursing

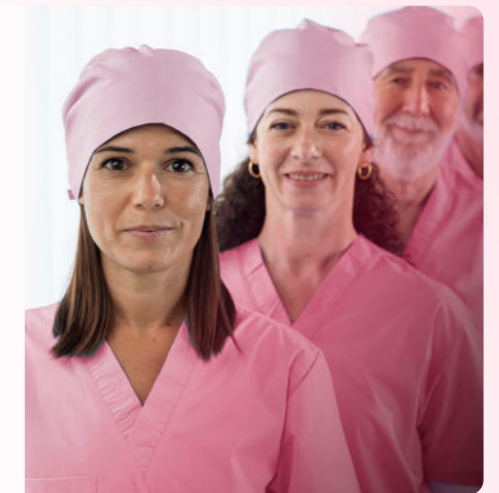

Temporary, Contract & Permanent Workforce Services

Temporary Recruitment

Our temporary staffing solutions address unexpected staff shortages and seasonal demands, maintaining the highest standards in healthcare delivery while supporting operational efficiency.

Our Agency Team expertly match qualified healthcare professionals from Healthcare Assistants to Doctors in short-term positions, ensuring seamless continuity in patient care.

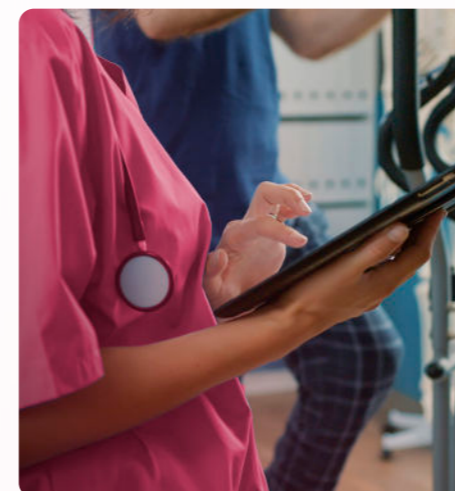

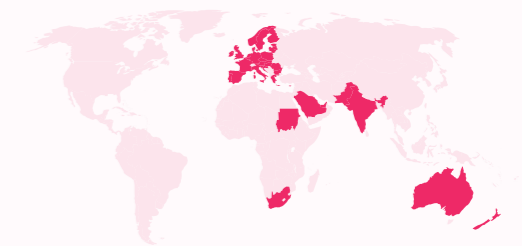

Permanent and Contract Recruitment

For a more permanent solution, our teams assist you in finding candidates who will become integral, long-term members of your organization, ensuring stability and continuity. Whether it's Allied Health, Doctors, Nurses, or any other specialised medical roles, we focus on aligning the right talent with your specific needs. Our approach is tailored to each sector ensuring a perfect fit for each healthcare professional.

International Recruitment

Our service supports international recruitment across multiple specialisations, combining rigorous compliance, customised training, and strong support for international transitions.

Compliance and Training

Our ISO-accredited compliance and training department ensures the highest standards of regulatory adherence and professional development, providing our clients with the assurance of quality and the benefit of well-trained, fully compliant healthcare professionals.

Direct Access to Your Dedicated Expert

Experience personalised support with direct access to our specialised experts from each department. Get in touch today and start a partnership that's tailored specifically to meet your unique needs.
